Outward Bound Canada is committed to helping Canadian youth change the trajectory of their lives. With young people desiring to thrive in an unpredictable and changing world, OBC, a registered charity, offers social-emotional education through experiential adventures in the outdoors. Since 1969, OBC has inspired over 150,000 participants, with a particular emphasis on providing greater access to those facing socioeconomic barriers, to discover their potential. These experiences develop resilience, social and emotional intelligence, and environmental leadership to contribute to a better, more compassionate, and resilient society. The impact of our work on young people in Canada is found in our recent [case for support](#).

Throughout the COVID-19 pandemic, Outward Bound Canada has prioritized the health and wellbeing of our employees, participants and the wider community.
