

JOB DESCRIPTION

BCGEU

1. Position No. Various Positions	2. Descriptive Working Title Program Support Worker		3. Present Classification AO1
4. Department Lower Mainland Directly Managed, Vancouver Island Region, Interior Region	5. Branch/Section Operations	6. Proposed Classification	Date Apr 2021
7. Position No. of Supervisor 22221W, 81530, 22284, 80113	8. Descriptive Work Title of Supervisor Manager, Tenant Engagement Property Portfolio Manager (Interior) Property Portfolio Manager (Vancouver Island)		9. Classification of Supervisor Excluded Management or AO 4
10. Job Summary:			

Reporting to the Manager, Tenant Engagement or Property Portfolio Manager, the Program Support Worker assists tenants/program participants in BC Housing Semi-Supported living sites to learn or enhance the life skills needed to live independently. The role works alongside the Housing and Health Nurse to develop, implement and evaluate Individual Service Plans (ISP) for program participants/ tenants. He/she/they applies psychosocial rehabilitation practices to provide tailored support through individual assessment, goal planning, the modeling of life skills, as well as individual and group programming. The role also works with various internal departments and external community partners to facilitate access to community services and resources for tenants/participants to successfully achieve their goals.

11. Duties:

The scope of duties performed may vary depending on region and business needs.

1. Teaches and models life skills that are required for independent living to tenants/program participants through the application of psychosocial rehabilitation principles.
2. Engages tenants/program participants in tailored group programming including leisure activities, cooking, housekeeping, financial/technology literacy, personal care, mental health or social learning to achieve or maintain the skills necessary for independent living.
3. Accompanies tenants/program participants (by public transportation, taxi or ridesharing services) to individual medical, mental health, dental, shopping, or social appointments as required. Acts as a role model to facilitate learning of appropriate social behaviors and skills in day to day activities when outside the program.
4. Assists the Housing and Health Nurse to develop and implement a tailored ISP. Applies a strength-based approach when working with tenant/program participants to empower individuals to reach their goals. In a continuous evaluation process, reviews and recommends changes to ISPs with the Housing and Health Nurse.
5. Facilitates access for tenants/program participants to social recreational, vocational, volunteer or educational programs and services to achieve their individual goals. Co-ordinates activities in conjunction with community agencies or BC Housing resources.
6. Establishes good working relationships with tenants/program participants and offers emotional support; provides assistance and resolves day to day issues, concerns or crisis that arise.
7. Observes, monitors and addresses behavioural, health or safety issues/concerns as they arise and reports these to the team. Develops and implements safety plans alongside the Housing and Health Nurse to address such concerns.

8. Provides general medication support to participants under the direction of the Housing and Health Nurse. Ensures all concerns (i.e. behavioural changes, side effects) are reported to the Nurse in a timely manner.
9. Assists with implementing and coordinating a peer support program on site, or facilitating access to an external peer program to enhance learning and build a strong sense of community among tenants/participants.
10. Documents substantive interactions with tenants/program participants as required for referral purposes and continuity of service delivery.
11. Establishes a positive working relationship with external agencies and community resources. Collaborates with community service providers to facilitate services to tenants/ program participants at the building site.
12. Maintains a high degree of professionalism in tenant relations, including maintaining confidentiality and privacy for individuals residing on BC Housing sites.
13. Participates in training and seminars as required.
14. Performs other related duties that do not affect the nature of the job, including participating on project task teams or assisting with special assignments.
