- Clean all areas on-site including shared spaces and high touch points
- Remove dust
- Vacuum carpets, rugs, furniture
- Sweep, mop and polish floors
- Sanitize washrooms
- Remove and sort garbage and recycling
- Ensure proper use and storage of cleaning items
- Replenish paper supplies
- Ensure work is performed in compliance with health and safety standards and company policies

COMPETENCY REQUIREMENTS

- Change Orientation
- Communicates Effectively
- Customer Focus
- Teamwork and Collaboration
- Values and Respects Others

WORK EXPERIENCE REQUIREMENTS

- Previous cleaning experience desirable, but training will be provided.
- Knowledge of various cleaning equipment and products.

SKILLS, ABILITIES, AND OTHER REQUIREMENTS

- Punctual, reliable and trustworthy
- Able to manage time effectively
- Detail oriented
- Able to work alone and in a team environment
- Bending and lifting required, up to 50 lbs
- Maintain professional demeanour
- Eligible to obtain an Enhanced Reliability Clearance by the Canadian Industrial Security Directorate

Canadian Base Operators complies with COVID-19 requirements. This may require employees to be vaccinated against COVID-19, provide attestations regarding vaccination status and/or COVID-19 testing, or satisfy other conditions of employment that Canadian Base Operators deems appropriate. Employees may be required to show proof of vaccination and/or negative COVID-19 test results as a condition of employment (except in limited circumstances where an employee is legally entitled to an accommodation).

Canadian Base Operators welcomes and encourages applications from persons with disabilities. Accommodations are available upon request for candidates taking part in all aspects of the recruitment and selection process.

If you are an existing Canadian Base Operators' employee, please notify your supervisor of your interest and intent to apply before applying.
