9. Classification of Supervisor Excluded Mgmt	10. Job Summary:	

Reporting to the assigned supervisor, the Documentation Clerk is responsible for processing documentation such as tenant move-outs, building inspections, Declarations of Income and Assets, pet registration, tenant chargebacks, processing work orders, and accounts payable invoices. He/She/They performs property portfolio and property maintenance support functions, provides direct face-to-face and telephone-based customer service to visitors and clients, maintains various databases and current tenant files, and provides general operational support.

11. Duties:

The scope of duties performed may differ depending on region and business needs.

1. Provides property portfolio support:

- Processes routine Declaration of Income and Assets (DIA) containing verifiable income sources; returns incomplete and/or incorrect DIAs; tracks the receipt of correct information and follows up with letters, phone calls, or emails as required; updates Housing Connections and JD Edwards One (ERP software) with information from DIAs.
- Processes tenants move-ins and move-outs, pet registration, and tenant transfers.
- Maintains and updates the Laundry Smart Card database and resolves related issues and queries; maintains an adequate supply of laundry cards at individual sites; monitors laundry card inventory and orders via JDE1 when additional stock is required.
- Acts as the primary point of contact for the Ministry regarding tenant rent contribution payments and Income Assistance.
- Reviews and processes chargebacks for current tenants and move-outs.
- Calls applicants and transfer tenants to schedule sign-up appointments and creates sign-up packages.
- Set up Pre-Authorized Rent Payment in JDE1.

2. Processes accounts payable invoices and work orders:

- Track the lifecycle of Work Orders to completion. Processes Work Orders, Purchase Orders, Standing Purchase Orders, and Blanket Orders. Reconciles and verifies invoice accuracy to purchasing documents; initiates investigations as required.
- Verifies goods and services received and prepares documentation for approval, ensuring correct coding as per the budget.
- Ensures the timely payment of utility accounts and invoices.
- Create and send approved Purchase Orders to vendors. Accounts Payable, compare receipt of invoices, to supplier invoice, and the approved Purchase Orders to create vouchers for a three-way match.
- Responds to supplier/contractor inquiries regarding payments; follows up with backorders, invoicing, and problematic suppliers.
- Tracks receipt of payment and directs non-payment of accounts to appropriate authority for follow-up.
- Schedules and handles requests from Building Managers, including pest control, glass replacement, elevator problems, carpet cleaning, extra garbage pick-ups, and appliance repairs.
- Extracts and conducts cost analysis, providing forecast of costs for following fiscal in regards to Standing Purchase Orders for Budget Managers' approval.
- Follows up with vendors for outstanding invoices for receipt not vouchered orders.

3. Provides direct customer service:

- Provides reception services including direct face-to-face and telephone-based customer service to members of the public, applicants, tenants, housing providers, government agencies, and community representatives. Provides information directly to the individual or refers the individual to the appropriate department.
- Collects, deposits, and balances rents and other daily payments, ensuring secure handling of the cheques.
- Manages a wide variety of situations in serving clients with a range of physical, behavioural, and social issues.

4. Provides general operational support:

- Maintains a variety of records, filing and follow-up systems, and updates applicable databases and spreadsheets.
- Responds to a variety of inquiries from Building Managers, contractors, and suppliers as required.
- Maintains records for smoke detector inspections, unit inspections, fire drills, and monthly safety inspections.
- Assists in uniform and boot distribution and reconciliation of related accounts.
- Requests and maintains new supplier contact information such as address, phone numbers.
- Processes incoming and outgoing mail including interoffice mail and bags couriered to tenant buildings; receives incoming faxes and distributes them to recipients.
- Prepares a wide variety of general correspondence, forms, and packages in a timely and accurate manner
- Tracks inventory and orders office supplies and forms.
- Codes P-card transactions for various cardholders via US Bank Online banking.
- Identifies opportunities to reassess and modify standard procedures to improve efficiency and outcomes.

5. Performs other related duties that do not affect the nature of the job, including participating on project task teams or assisting with special assignments.
